This document is an outline of the coverage proposed by the carrier(s), based on information provided by your company. It does not include all of the terms, coverage, exclusions, limitations, and conditions of the actual contract language. The policies and contracts themselves must be read for those details. Policy forms for your reference will be made available upon request.

The intent of this document is to provide you with general information regarding the status of, and/or potential concerns related to, your current employee benefits environment. It does not necessarily fully address all of your specific issues. It should not be construed as, nor is it intended to provide, legal advice. Questions regarding specific issues should be addressed by your general counsel or an attorney who specializes in this practice area.

### Who is Eligible?

If you are a Tulare County Probation Association full-time employee you, your spouse, and your dependent children to age 26 are eligible to enroll in the Medical, Dental & Vision benefits described in this guide. TCPA retirees under the age of 65 and their eligible dependents under the age of 65 are also eligible for benefits under the TCPA Early Retiree Plan.

#### How to Enroll

The first step is to review your current benefit elections. Verify your personal information and make any changes if necessary. Make your benefit elections. Once you have made your elections, you will not be able to change them until the next open enrollment period unless you have a qualified change in status.

#### When to Enroll

The benefits you elect will be effective from January 1, 2024 through December 31, 2024. New hires will be eligible the first of the month following 2 months from their date of hire. Tulare County employees transferring to TCPA Bargaining Unit 12 are effective the first of the month following the date benefits end under your prior Tulare County plan.

### When to Make Changes

Unless you have a qualified change in status, you cannot make changes to the benefits you elect until the next open enrollment period. Qualified changes in status include: marriage, divorce, legal separation, birth or adoption of a child, change in child's dependent status, death of spouse, child or other qualified dependent, change in residence due to an employment transfer for you or your spouse, commencement or termination of adoption proceedings, or change in spouse's benefits or employment status. You have **30 days** from a change in family status to make changes.

# What to do for the 2024 Open Enrollment Period

#### Tulare County Probation Association Open Enrollment will run from 10/04/2023 - 10/20/23

<u>Anthem Medical Plans:</u> There will be no plan changes to the current Anthem Medical Plans. Rates are increasing slightly. If you do not wish to make changes to your current enrolled dependents or your plan elections, then nothing is needed. Your current benefits will roll over. If you wish to make changes, you will need to complete a new Anthem enrollment form. *Note: If you enroll in the Anthem HMO plan, you are required to choose a Primary Care Physician. If you do not choose a PCP, Anthem will assign one to you.* 

<u>Kaiser Medical Plan:</u> Kaiser has implemented significant premium increases to all their book of business nationwide. In order to reduce premium costs, we have made significant plan design changes. Premiums will still be increasing with the plan design changes. All members enrolling in Kaiser will need to complete the attached Kaiser enrollment form and sign their arbitration agreement.

Metlife Dental and Vision Plans: No plan design changes are being implemented for January 1, 2024.

#### **EMPLOYEE OPEN ENROLLMENT ACTION ITEMS:**

- 1. Review the benefit summaries and premium deduction sections enclosed in this document.
- 2. If you would like to make any changes to your current elections such as adding/deleting dependents or switching to a different benefit plan offered, you will be required to complete an enrollment form.
- 3. If you are an eligible TCPA employee who is currently not enrolled in the TCPA health plan and you would like to enroll for January 1, 2024, you must complete an enrollment form.
- 4. **All employees wanting to waive coverage for the 2024 plan year must complete an Opt-Out form**. A new Opt Out form is required every plan year that you are eligible for benefits and waive your benefits under TCPA.
- 5. All employees enrolling in Kaiser must complete a new application.

#### **IMPORTANT NOTES:**

Kaiser plan is changing from a Zero deductible plan design to a \$750 deductible plan design. All members enrolling in Kaiser are required to complete a new enrollment form.

If you are not enrolling in Kaiser and do not wish to make any changes, you will <u>not</u> be required to complete a new enrollment form. January 2024 premium deduction changes will reflect on your first December paycheck. Elections made now will remain until the next open enrollment, unless you or your family members experience a qualifying event. If you experience a qualifying event, you must notify your HR and submit plan change paperwork to Gallagher within 30 days of the event.

Enrollment & Waiver forms are included at the end of this booklet.

If you have any questions regarding the TCPA Open Enrollment, please contact your Gallagher Benefits Team.

#### **Newborns' and Mothers' Health Protection Act**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

#### Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit <a href="https://www.healthcare.gov">www.healthcare.gov</a>.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or <a href="https://www.insurekidsnow.gov">www.insurekidsnow.gov</a> to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at <a href="www.askebsa.dol.gov">www.askebsa.dol.gov</a> or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

#### **Protecting Your Health Information Privacy Rights**

Tulare County Probation Association is committed to the privacy of your health information. The administrators of the Tulare County Probation Association Health Plan (the "Plan") use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan's policies protecting your privacy rights and your rights under the law are described in the Plan's Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting Lorena Torres – Treasurer at 661.586.6141 or <a href="mailto:ttorres@tcpaunion.com">tt.torres@tcpaunion.com</a>.

#### **HIPAA Special Enrollment Rights**

#### Tulare County Probation Association Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Tulare County Probation Association Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

**New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program – If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact Lorena Torres – Treasurer at 661.586.6141 or <u>lt.torres@tcpaunion.com</u>.

#### **Important Warning**

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

#### **Notice of Creditable Coverage**

#### **Important Notice from Tulare County Probation Association**

#### **About Your Prescription Drug Coverage and Medicare**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Tulare County Probation Association and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if
  you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers
  prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare.
  Some plans may also offer more coverage for a higher monthly premium.
- 2. Tulare County Probation Association has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

#### When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

#### What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Tulare County Probation Association coverage will not be affected. Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits. If you drop your current coverage and enroll in Medicare prescription drug coverage, you may enroll back into the Medical benefit plan during the Annual Enrollment period under the Medical Plan.

#### When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Tulare County Probation Association and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

#### For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE**: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Tulare County Probation Association changes. You also may request a copy of this notice at any time.

#### For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

#### Section 12: Please read carefully — Signature required.

I attest by signing below that I have reviewed the information provided on this application and to the best of my knowledge and belief, it is true and accurate with no omissions or misstatements.

Deduction authorization: If applicable, I authorize my employer to deduct from my wages the required subscription charges/premiums.

Non-participating provider: I understand that I am responsible for a greater portion of my medical costs when I use a non-participating provider. HIV testing prohibited: California law prohibits an HIV test from being required or used by health insurance companies as a condition of obtaining health insurance.

Effective date: The effective date of coverage is subject to Anthem approval.

#### COBRA/Cal-COBRA Continuation Coverage

You may continue your health care coverage by: 1) completing the remainder of this form; 2) signing your name in the blank space below; 3) paying your Total Monthly Continuation Payment; and 4) mailing this form to Anthem, no later than sixty (60) days after the date you receive this notice. If you fail to choose COBRA Continuation Coverage within sixty (60) days after the date you receive this notice, your qualification for coverage will end. If you do choose COBRA Continuation Coverage, your current coverage will be continued until the earliest of the following dates:

- 1 The date eligibility for COBRA Continuation Coverage ends, or
- 2 The date you fail to make timely payments of your premium for COBRA Continuation Coverage, or
- 3 The date your employer discontinues coverage with Anthem, or
- 4 The date you become entitled to Medicare on the basis of age (65 years), or the date thirty (30) months after you become entitled to Medicare on the basis of end stage renal disease, or
- 5 The date you become covered under another group health plan as a result of employment, re-employment, remarriage, or otherwise.

If, at any time during the first sixty (60) days of your COBRA Continuation Coverage, you are determined under Title II or XVI of the United States Social Security Act to be disabled, you may be entitled to continue coverage while you are disabled for up to 29 months from the date you first qualified for Continuation Coverage under COBRA. Contact the Health Plan Administrator at your previous employer for full information.

The Monthly Continuation Payment is the cost of continued coverage for the month beginning on the date after the Date of Loss of Coverage. If you do not pay your initial monthly premium within 45 days after your election of COBRA Continuation Coverage, or if payment of succeeding premiums are not received within the 30-day grace period thereafter, your coverage will end.

Note: If you do not elect available COBRA Continuation of Medical Coverage, you will lose certain rights under federal law (HIPAA) to guaranteed issue individual coverage.

I certify each Social Security number listed on this application is correct.

Life and/or Disability Authorization Section - Read carefully before signing

- Payment of proceeds shall be made in accordance with the terms of the group contract. Unless otherwise provided herein, if one or more life insurance beneficiaries are named, the proceeds due shall be paid in equal shares to the named beneficiaries surviving the insured. Beneficiaries may be changed by the insured employee's written notice to his or her employer.
- 2. These coverages will become effective on the date established by the provisions of the group contract and certificates issued thereunder.
- 3. This authorization, for purposes of processing this application form, is valid from the date signed for a period of 30 months unless revoked by me in writing, which I may do at any time by contacting Anthem. For the purpose of collecting information in connection with a claim for benefits under an insurance policy, this authorization shall remain valid for the term of coverage of the policy for an accident and sickness insurance benefit and for the duration of the claim if the claim is not for an accident and sickness insurance benefit. A photocopy and/or electronic copy is as valid as the original. The Applicant or the Applicant's authorized representative is entitled to receive a copy of this Authorization.
- 4. I give this authorization for myself and on behalf of my eligible dependents if covered by the Plan, including my Spouse/Domestic Partner/Civil Union Partner. I am acting as their agent and representative.
